1982 Football Homecoming Proves We Are All Different Together

THS students, like parts of a puzzle, are unique. Yet magically when all work together they make a special picture. Such was the case when all classes and organizations joined together for a successful Homecoming.

Leslie Holton Crowned 1983 Yearbook Queen

The first Yearbook Queen Pageant was a huge success. This year's 10 semifinalists, selected from 20 original candidates, competed in the pageant held December 2, at the High School Auditorium. These 10 were judged on personal interviews, poise, and talent by 3 judges.

The 5 finalists were Tammy Ballou, Janee Cranford, Leslie Holton, Leslie Jenks and Shirley Mitchell. Emerging victorious was **Senior Leslie Holton, 1983 Yearbook Queen.**

Students learn . . . **ACADEMICS**

The curriculum at THS covers the three Rs and much more. In this section we have tried to capture the student in his quest for knowledge and skills. After all, that is what school is all

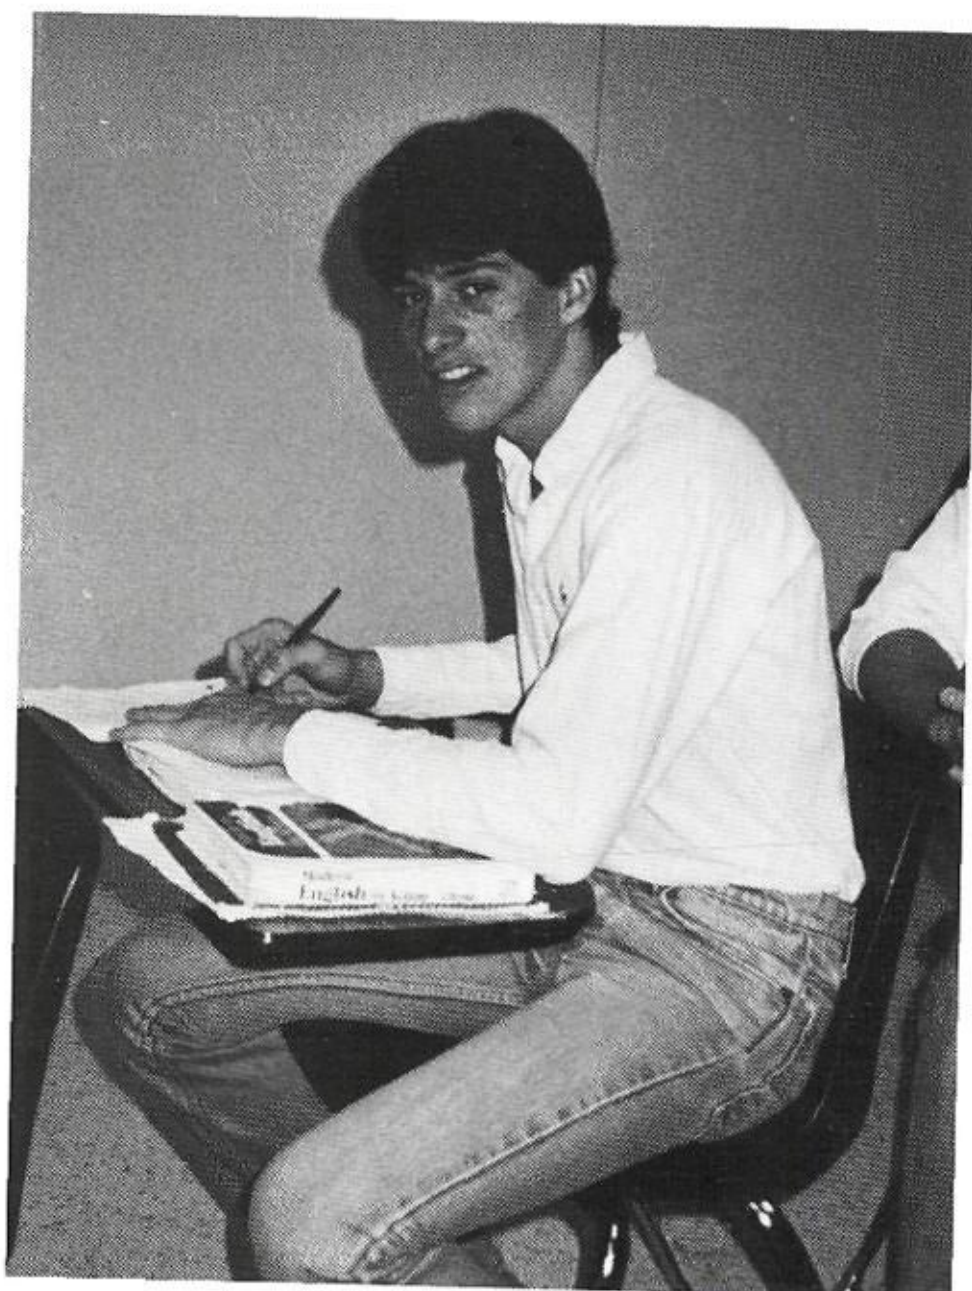

about. Years from now some of our fondest memories will be of our experiences in the classrooms. We hope we have captured some of those memories here in these pages.

School's a blast!

English projects make 1982-83 year a busy one

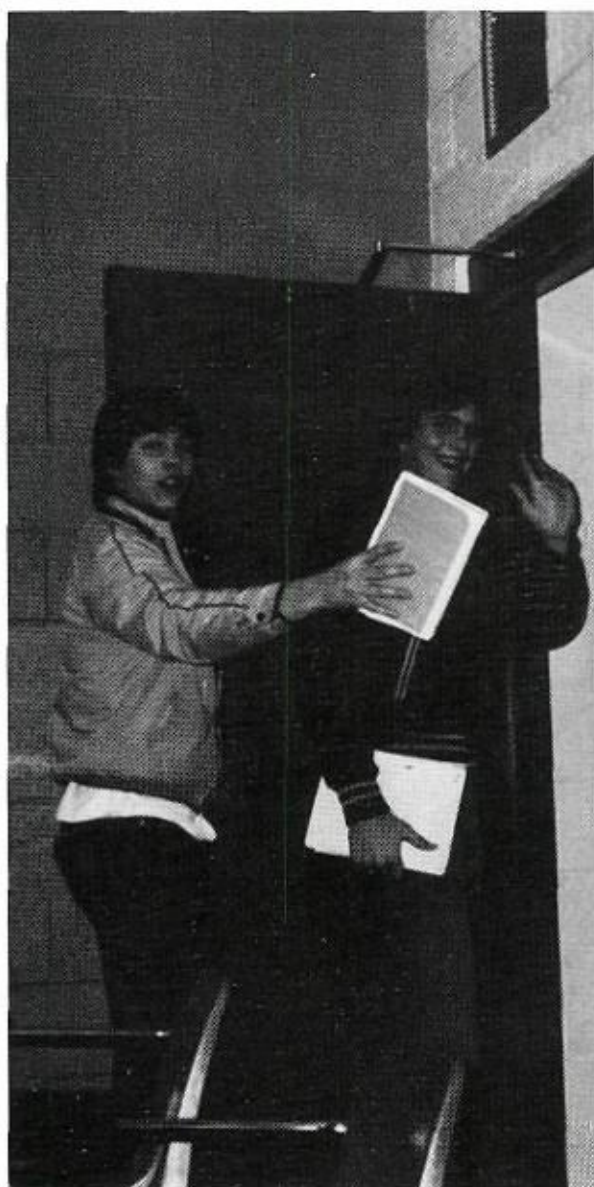

This year the English department welcomed one new teacher, Mr. Vinson. Aside from the usual activities, students wrote plays, commercials, and even a movie. Although this year was considered a good one, changes are planned for next year. These changes include offering basic English and advanced level English.

Future Farmers keep busy schedule

The 1982-83 year was a busy one for the Future Farmers of America. A few of their many activities were a potluck supper, pie supper, the annual FFA banquet, a pig roast, and the yearly Greenhand initiation. Along with these activities most members also participated in livestock and judging shows, Creed contests and Quiz contest.

The FFA election for the 1983-84 year was held on April 18. Elizabeth Harkrider was chosen as the first female President of the Tecumseh FFA chapter.

Student Council sparks spirit

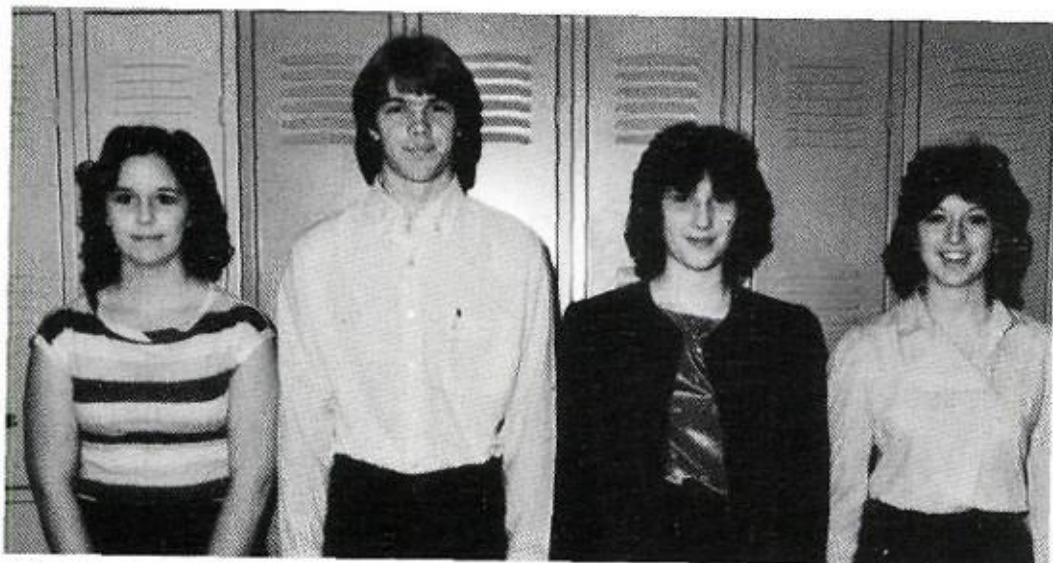

The school picnic, Operation Christmas, class competition with spirit chains and taking collections for charity were a few of the projects undertaken by the THS Student Council. The members also worked hard on their homecoming float which took third place. In February they sold carnations for Valentine's Day.

In November Student Council officers attended the Student Council state convention held in Yukon.

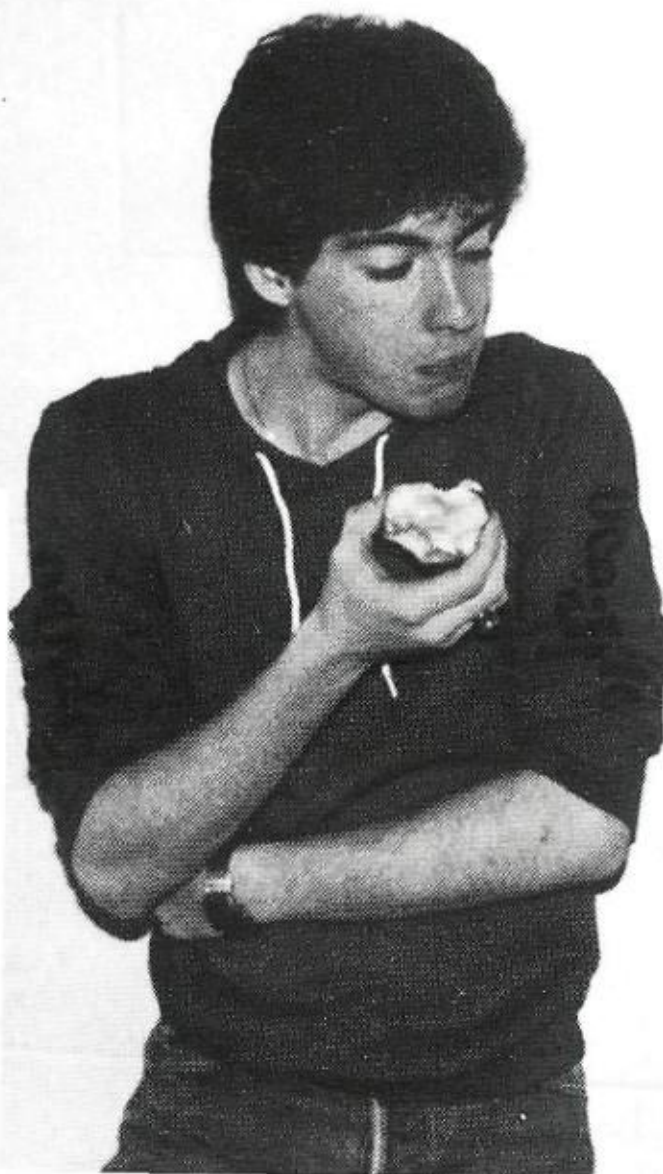

The Student Council members also organized the annual Awards Assembly which was held in May.

Small yearbook staff works hard

The 1983 Yearbook staff members were few in number and inexperienced. They worked hard and tried some new and innovative ideas, along with a new Yearbook Queen Coronation.

With everyone competing for funds, the yearbook staff spent a great deal of effort on fund raisers, including the sale of M&Ms, t-shirts, magazines, and autograph sections.

Second year for FHA at THS is very active

FHA kept active during the '82-83 year selling fund raisers and attending rallies and meetings. During the year members demonstrated their homemaking skills by making doll clothes for the Salvation Army. They also attended the FHA sub-district rally in Vanoss and state rally in Oklahoma City.

FTA develops teaching skills

One of the highlights for FTA members during the 82-83 year, was their participation in the FTA state convention. The March convention was the biggest success for the state membership in many years. Tecumseh students won only recognition honors, but were able to help with the planning of the 1983-84 school year. Mrs. Capps was chosen as a state advisor.

During the month of April FTA members demonstrated their teaching skills by helping out with the Barnard kindergarten classes which proved to be a challenging experience.

THS applauds academic excellence

Two of the academic oriented groups at THS this year were Mu Alpha Theta and the members of the Oklahoma Honor Society.

The Mu Alpha Theta activities consisted of work in areas of mathematics usually not covered in the classroom. Students were eligible according to their grade point average in math.

Fifty-eight THS students were chosen as members of the Oklahoma Honor Society. They were chosen by their grades from the past two semesters. They represent the top ten percent in each class.

FCA promotes fellowships

The Fellowship of Christian Athletes had a good year playing volleyball against Youth Alive, traveling to Ada for a FCA rally, and participating in a Christmas hayride.

At the beginning of the school year, FCA held weekly meetings at the field house with several different guest speakers. They also enjoyed a film called *Sports Odyssey*.

Youth come Alive

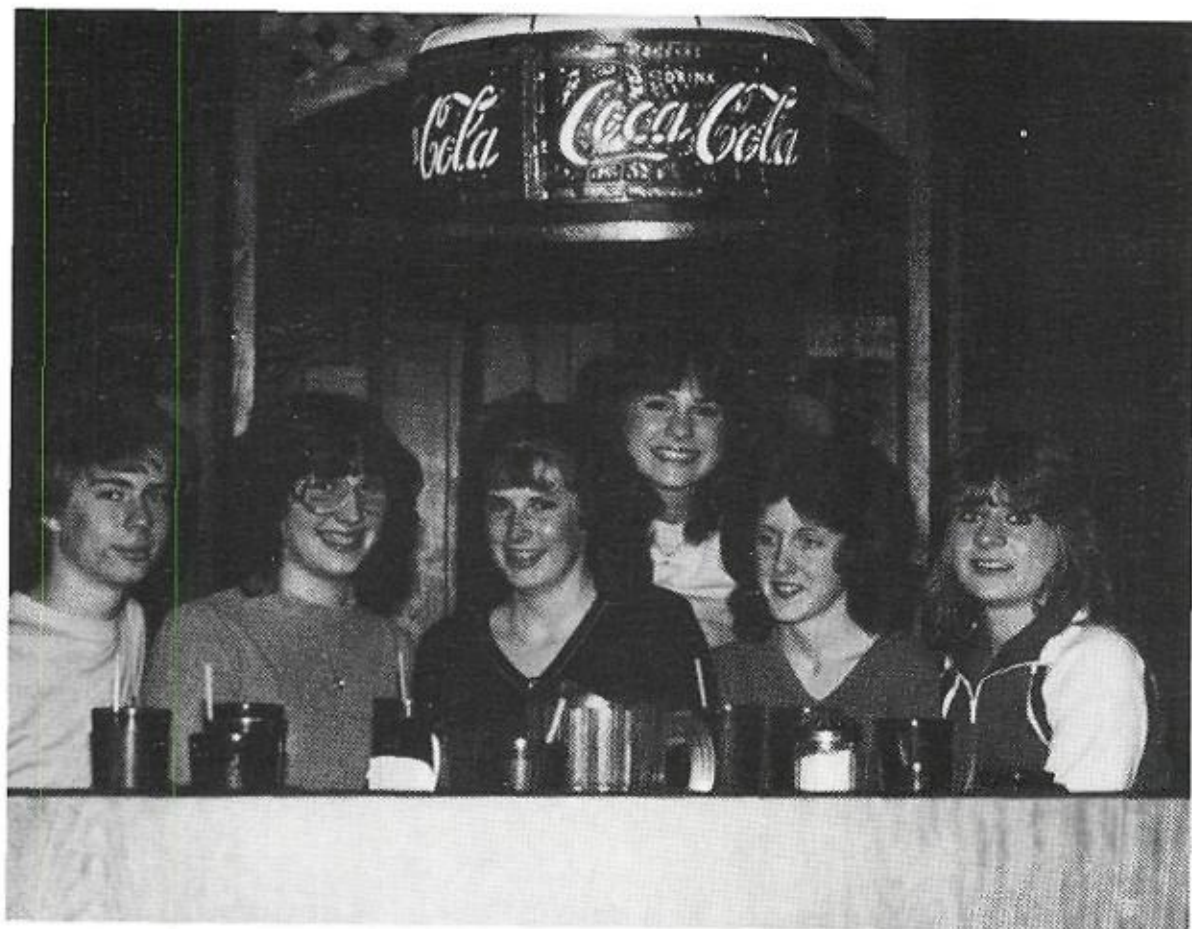

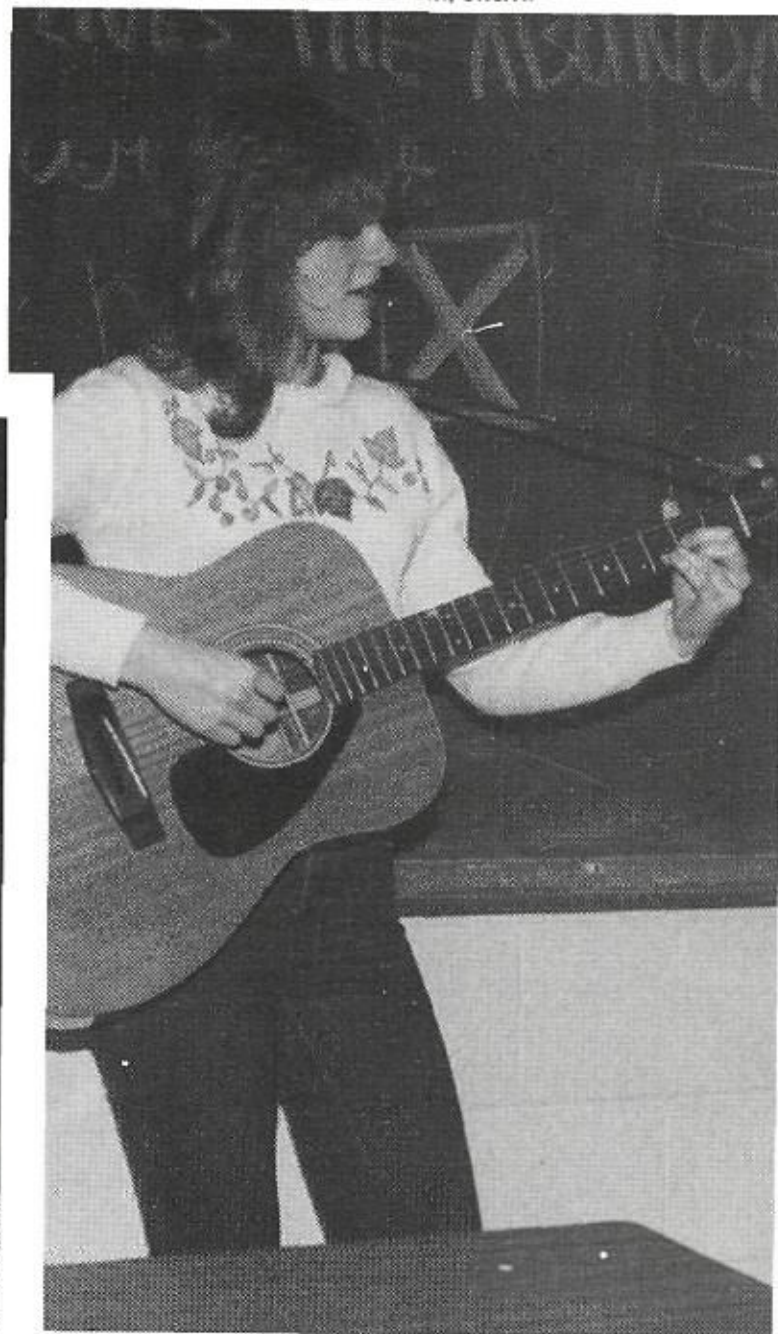

Youth Alive made the '82-83 school year a great year with their many activities and meetings.

To start off the year, the Youth Alive float won 2nd in the Homecoming parade. Throughout the year Youth Alive members took on FCA in several basketball and volleyball games. They also went Christmas caroling and on a hayride. To end the year on a good note, Youth Alive sponsored Crossfire, a Christian rock group.

SOPHOMORES Show Their Class

The sophomore students filled the 82-83 year with many good times and memories. For example, they spent many hard hours working on the sophomore class float and still didn't place. Or how about all the rowdy times they spent cheering their team on to victory. Each sophomore student in his or her own way pulled together to show the unity of the sophomore class.

Faculty and Staff Influence THS

Each year there are changes in the faculty and staff which affect the school.

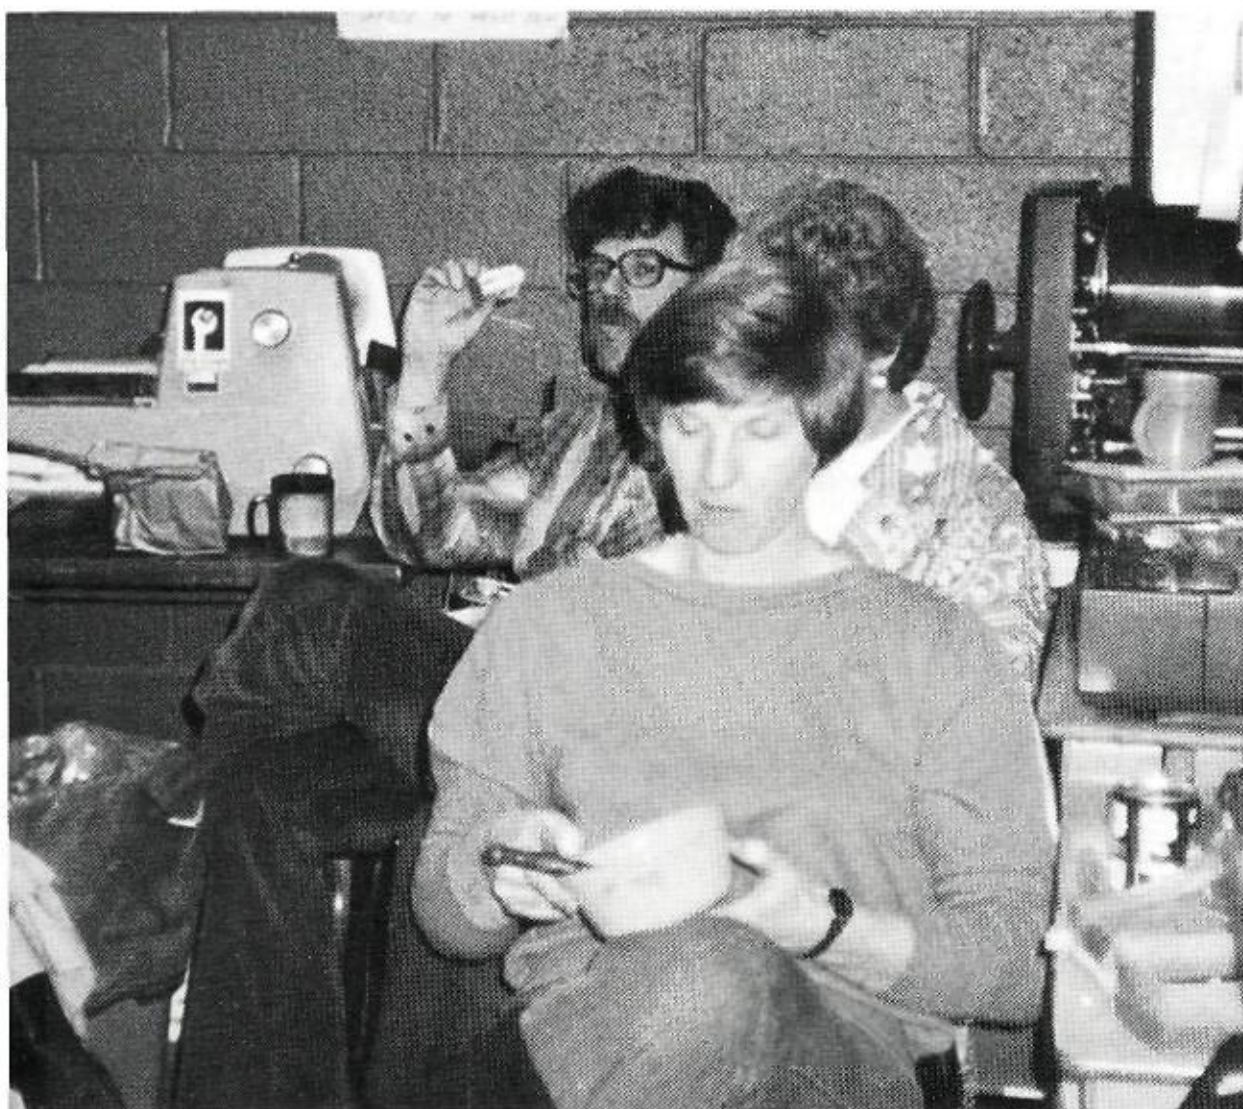

This year we welcomed several new teachers plus some transfers from the Middle School. New teachers included Mr. Hawkins, Mr. Hoover, Mrs. Sharp, Mr. Bibb (who resigned after Christmas), Mr. Tucker (who replaced Mr. Bibb) and Mr. Vinson.

Transfer teachers were Mrs. Elder and Mr. Canfield.

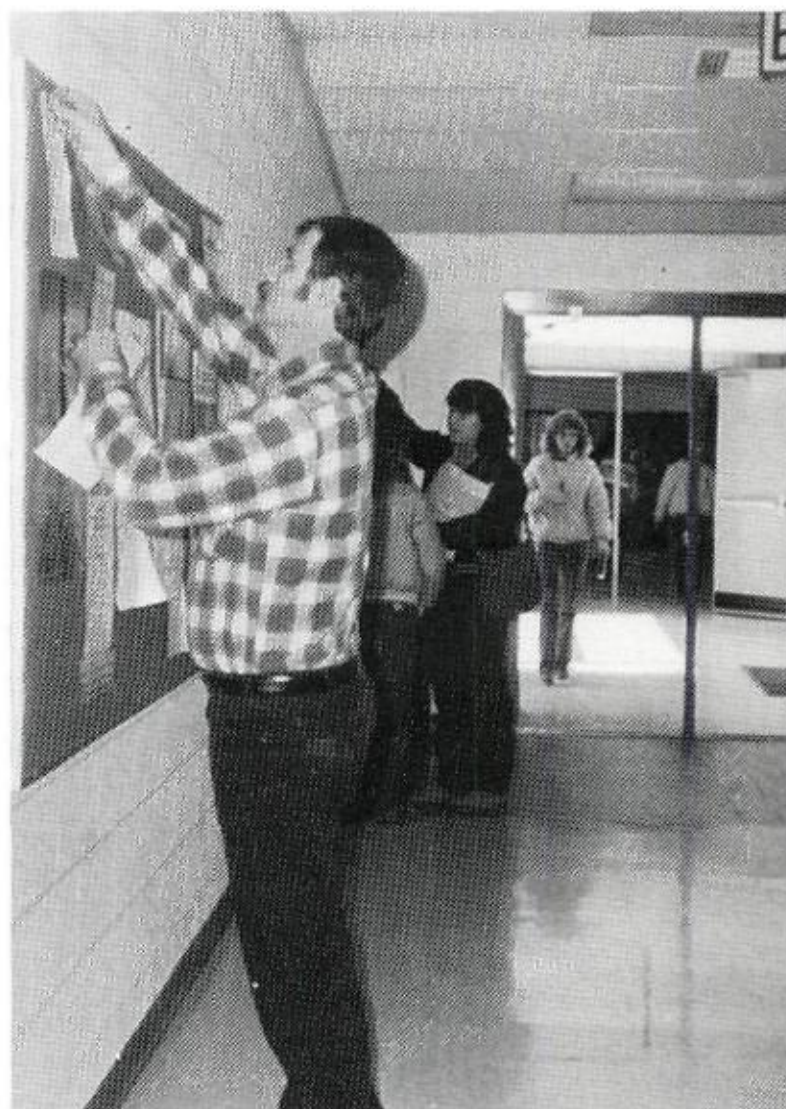

Some other changes were new secretaries, Judy Fleming and Carole Turner; and new principal, Charles Shields with his assistant, Joe Hillman.

He's still doing it wrong.

I wish I'd eaten in the cafeteria after all.

Board of Education Guides the School

The Tecumseh Board of Education welcomed Anita Sigman, newly elected board member, at the February meeting. Mrs. Sigman replaced Joe Inda whose term expired.

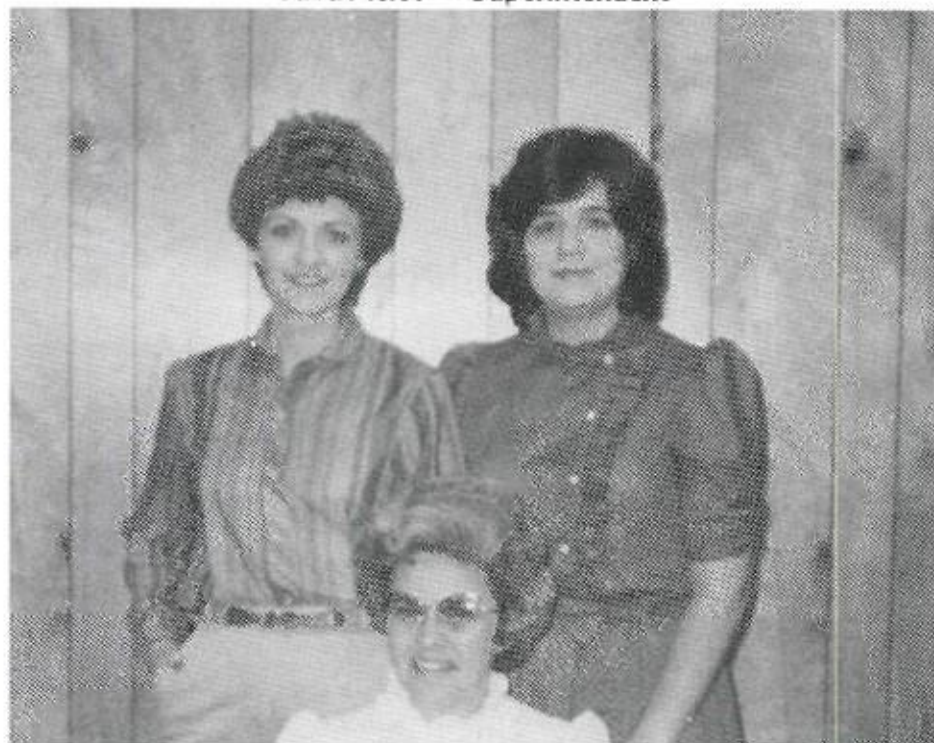

The board has been busy this year considering possible changes or additions in programs and facilities for the future. Two committees were formed (one for programs and one for facilities) to make suggestions to the board. These committees consisted of patrons, teachers and administrators.

High School Adjusts to New Principals:

New Principals Introduce New Principles to THS

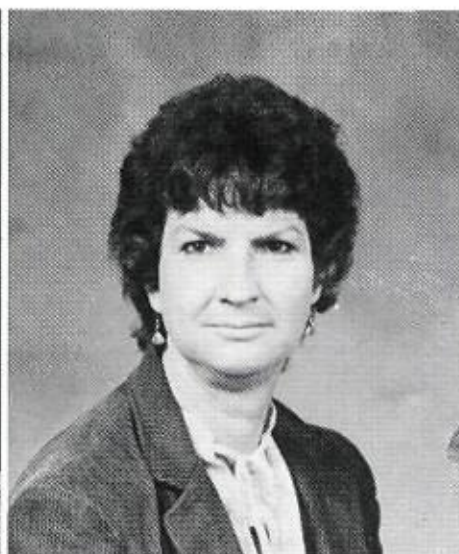

The 1982-83 school year brought many new faces and changes to THS, including a new principal, Mr. Shields, and assistant principal, Mr. Hillman. New policies were introduced to the student body, such as the tardy policy, absence policy, and no smoking rule.

Mr. Shields was the former principal at Krouch for three years, and Mr. Hillman came from Chandler.

Betty Sikes Makes Plans to Retire

A familiar face in the halls of THS this year has been Betty Sikes. Betty has served as janitor for the past six years. When asked if she enjoyed her work, she replied, "Oh, very much. I like being around students."

Betty and her husband have two children.

Betty attended school at Paden. In her spare time she enjoys sewing.

Betty has made plans to retire after this school year if a replacement can be found. If not, she will return next year until Christmas.

When asked how she felt about the students at THS, Betty stated, "I really like them. I've enjoyed working here very much."

From all of us to you, "Thanks, Betty!"

Faculty Leads the Way

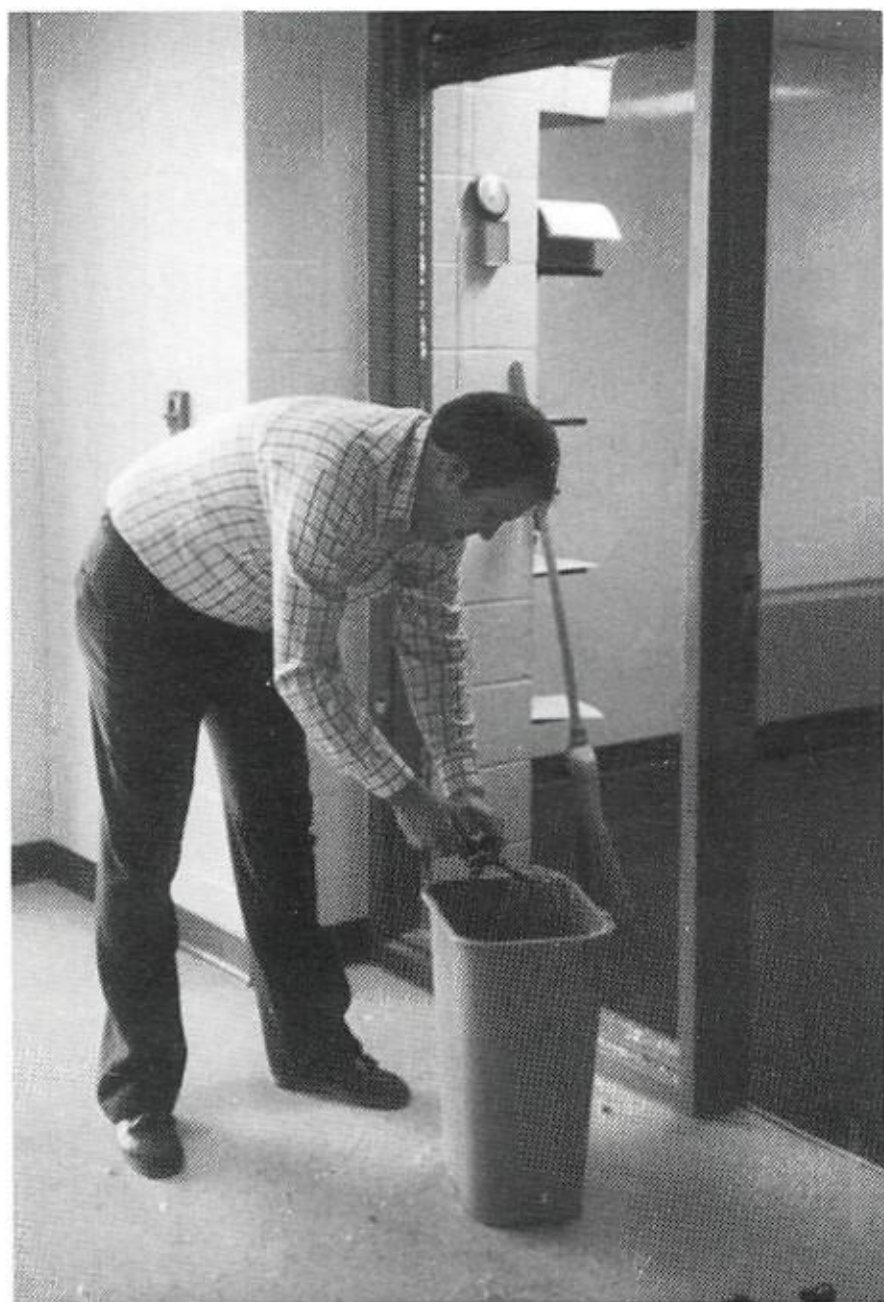

We would like to express a warm thanks to the THS School Board, faculty, and staff. We appreciate the time and energy each of you have contributed in making THS a better school. The unique personalities of each of you have made our school a great place to be!

▲ You're supposed to smile when I say "Cheese."
You always leave me holding the bag. ►

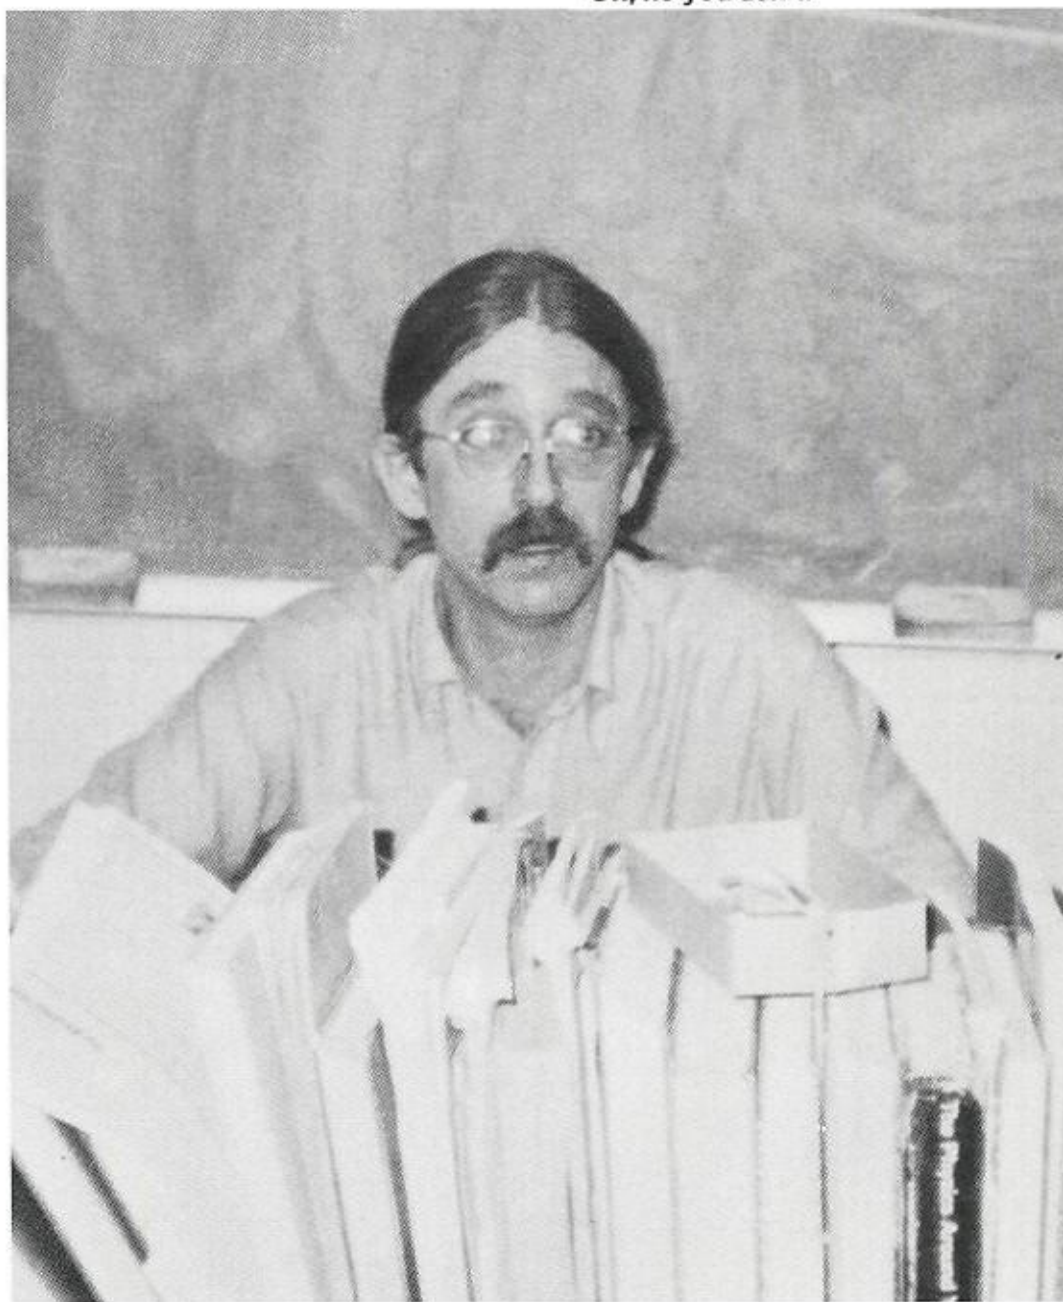

Bet you can't guess what I'm eating.

Oh, no you don't!

How should I know it would break.

Goodbye THS

1982-83 gave us memories

After this year together we have experienced change and growth. We are not the same as we were, nor are we the same as we will be.

However, no matter what comes our way for 1982-83 we were all different together.
